Amendment and Response Applicants: Shin et al. Serial Number: 09/852,988

Attorney Docket: SBC1022US

IN THE CLAIMS:/

Please cancel claims 1 to 9 and 34 to 36 without prejudice.

Please add the following claims:

41. (New) A method of loading a stent on a delivery catheter comprising:

providing a delivery catheter having proximal and distal ends and a distal portion adjacent the distal end, the distal portion having a diameter;

providing a stent having a length;

radially compressing at least a portion of the stent from a pre-compression diameter to a post-compression diameter, the post-compression diameter being less than the diameter of the distal portion of the stent; and

mounting the stent in the post-compression diameter onto the distal portion of the delivery catheter without further compressing the stent.

- 42. (New) The method of claim 41, wherein the step of providing the delivery catheter comprises providing a balloon catheter.
- 43. (New) The method of claim 41, wherein the mounting step further comprises providing a means for radial containment of the stent.
- 44. (New) The method of claim 41, wherein, in the step of providing the stent, the stent comprises metal.
